Description of Proposed Use

The proposed project will create redevelopment an area of New Center that has suffered disinvestment. Mitten Capital will rehabilitate the current 5,600 square foot building into a fine dining restaurant. The proposed development will include two dining rooms, one on each floor. The restaurant will highlight the building's turn of the century details which include beautiful trim work, a decorative ceiling on the second floor, and a well-built wooden stair case. These historic features will be accentuated with modern décor and exposed brick walls.

An additional adjacent lot has also been purchased by the development team and will be cleared and developed with surface parking to service guests.

Nature and Extent of the Rehabilitation

Significant investment is required to make the building fit for occupancy. As part of the rehabilitation, the building will receive new utilities including electrical and plumbing, new HVAC units, a partial new roof, new flooring on the first floor, and foundation repairs in the basement. Additionally, the façade will need to be repaired in such a way to honor the building's historic appearance. The structure will also be brought up to code per ADA and Fire Department requirements, which may include an ADA lift and fire suppression/alarm system if deemed required.

The Development will create restaurant space for Detroiters which will encourage locals and tourists alike to populate the New Center neighborhood. Developments such as this are crucial to attracting investment in areas that have been slower to receive investment than those neighborhoods further south such as Midtown and Downtown.

Mitten Capital LLC intends to apply for a 12-year real property tax abatement under the provisions of an Obsolete Property Rehabilitation Act tax abatement.

Descriptive List of the Fixed Building Equipment/Renovations

Renovations and new fixed building equipment and materials for the project include;

- Mechanical; plumbing and HVAC
- · Electrical; increase size of panel, increase feed
- Structural; support in basement
- Masonry; restore façade
- Finishes; Replace and restore hardwood flooring, replace exterior and interior plaster Roofing; replace upper roof

Total construction hard cost investment is estimated at approximately \$600,000.

Attachment A Page 2 of 3

•		

Time Schedule

Construction activities are anticipated to commence in 2019. Construction completion is anticipated for late 2019 through early 2020.

Statement of Economic Advantages

The proposed Development will bring needed investment to Detroit's New Center neighborhood. Activation of this property will spur further growth and infill development, and act as a catalyst for future redevelopment of numerous vacant and blighted properties along the Woodward Avenue and the surrounding neighborhoods and provide spinoff consumer spending in New Center.

The granting of the tax abatement will not result in any fewer taxes to the City of Detroit in the short-term or long-term. Upon successful redevelopment, the Development will generate increased income taxes, through the new jobs consumer spending that the project will create.

On a short-term basis approximately 15 construction jobs will be created. The Developer is making strides to hire Detroit-based contractors that they have used and to ensure Detroit-based contractors and/or residents can benefit from the redevelopment. The Developer has also reached out to Midtown Detroit Inc. with whom they have a working relationship with to inquire about providing references for other Detroit based trades that could provide services for this development. Programs such as the D2D and Skilled Trades meetings will be utilized as needed.

On a long-term basis the proposed redevelopment associated with the District will create approximately 25 full-time equivalent (FTE) jobs.

Additionally, there will be other indirect benefits such as spin off spending in the City that will contribute to the economic benefits produced by this investment. Investments in the community such as this that will have long-term effects and provide sustainable principals will retain and foster community along Woodward Avenue in New Center.

Following expiration of the 12-year abatement the building will deliver a significant increase in tax revenue. Over time, the successful redevelopment and cultural growth will have a city-wide impact.

)	0	10	5	5	20	0	0

1. What is the plan for hiring Detroiters?

The Developer has a working relationship with Midtown Detroit, Inc. and is familiar with the resources available in order to facilitate hiring of Detroit residents during construction activities. D2D and the Skilled Trades Taskforce meetings will also be utilized to assist in this effort as needed.

2. Please give a detailed description of the jobs available as listed in the above chart, i.e. job type, job qualifications, etc.

In the short-term, approximately 15 construction jobs are anticipated to be created. The proposed redevelopment will create space for up to 25 FTE jobs associated with commercial end use.

The Construction jobs will consist of;

- Demolition Laborers
- Architectural/Interior Buildouts Laborers, Carpenters, Cement Masons, Bricklayers, Glaziers, Iron Workers, Roofers, Painters
- Fire Protection Pipe Fitters
- Mechanical. Plumbing, and Electrical Trades
- 3. Will this development cause any relocation that will create new Detroit residents?

This development is not anticipated to cause any relocation as the property is not occupied by any tenants.

4. Has the developer reached out to any community groups to discuss the project and/or any potential jobs?

The Developer intends to utilize D2D sessions to ensure Detroit-based contractors and workers benefit from the project. Support letters have also been received by neighborhood organizations including Midtown Inc.

5. When is construction slated to begin?

Support Letters

February 14, 2019

Jeffrey Tripoli 32031 Townley Madison Heights, MI 48072

RE: 6432 Woodward OPRA

Dear Jeffrey,

On behalf of Midtown Detroit, Inc. (MDI), I am pleased to support the project at 6432 Woodward and your request for an OPRA. As the non-profit community and economic development organization for New Center, preserving property in this district is important to establishing a connected street wall and increasing density adjacent to the M1 Rall line.

The proposed project will provide significant investment in a vacant storefront that is in need of interior and exterior upgrades. New Center for decades has had minimal food and beverage options. Renovating and converting this property into a new restaurant will bring online a needed amenity for the neighborhood.

Just a block north, MDI recently acquired an 80,000SF portfolio of property along Woodward. Currently seven storefronts are under renovation and another three will be underway later this year. The investment being made by you and your team aligns with our efforts to preserve the character and fabric of the New Center district and provide space to local entrepreneurs.

MDI is extremely supportive of additional investment in this neighborhood and working with you and your team.

Sincerely,

Susan T. Mosey
Executive Director

Midtown Detroit, Inc.

To Whom It May Concern:

As a local developer of residential, office, and mixed-use properties throughout the New Center area and Woodward corridor, The Platform LLC would like to pledge its support for the proposed redevelopment of the former Detroit Hardware Company site located at 6432 Woodward Avenue, Detroit MI.

Activation of vacant storefronts and the repositioning of architecturally significant buildings in the City of Detroit not only adds to the vibrancy of neighborhoods, it also stimulates additional investments into blighted and underutilized commercial corridors. The addition of the proposed food and beverage operation will stimulate more walkability along Woodward Avenue and compliment the phased work we are undertaking on Baltimore Station Phases 1 & 2, located in close proximity to the subject property.

We believe that additional restaurant and retail users will also provide increased hiring opportunities for local New Center residents. We are happy to support the increased revitalization of the corridor and look forward to working with our neighbors to build capacity and opportunities for local Detroiters.

The Platform is a real estate development company that was established in 2016, following the acquisition of the Detroit's iconic Fisher Building. With more than 60 years of collective real estate experience in Detroit and other markets, we made a conscious decision to build a platform that would contribute to the resurgence of the city.

Thank you,

Dietrich A. Knoer President & CEO

June 5, 2019

Maurice Cox, Director Planning & Development Department Coleman A. Young Municipal Center 2 Woodward Ave, Suite 808 Detroit, MI 48226

Re: Obsolete Property Rehabilitation District - Mitten Capital LLC

Property Address: 6432 Woodward Avenue (aka 6430 Woodward Avenue)

Parcel Numbers: 01004281.

Dear Mr. Cox:

The Office of the Chief Financial Officer, Office of the Assessor, has reviewed the proposed Obsolete Property Rehabilitation District located at 6432 Woodward Avenue (aka 6430 Woodward Avenue) in the New Center district in the City of Detroit.

The rationale for creating Obsolete Property Rehabilitation Districts under PA 146 of 2000, as amended, is based on the anticipation of increased market value upon completion of new construction and /or significant rehabilitation of existing commercial property and commercial housing property. Normal repair and maintenance are not assessed and do not necessarily generate additional market value.

Mitten Capital LLC is proposing to renovate the 2-story retail building with 5,574 square feet of total floor area, built in 1909, on .085 acres of land into a fine dining restaurant featuring modern décor and exposed brick walls. Extensive repairs are needed to bring the building up to electrical code and rehabilitation will include new electrical and plumbing, a partial new roof, new flooring on the first floor, façade repairs and foundation repairs in the basement. An ADA lift and fire suppression/alarm system may be included if deemed required.

The properties meet the criteria set forth under PA 146 of 2000, as amended. It applies to blighted, functionally obsolete and contaminated properties. "Rehabilitation," meaning that changes to qualified facilities that are required to restore or modify the property, together with all appurtenances, to an economically efficient condition. Rehabilitation also includes deficient or excessive height, new or improved fixed building equipment, including heating, ventilation, and lighting, reducing multistory facilities to 1 or 2 stories, adding additional stories to a facility or adding additional space on the same floor level not to exceed 100% of the existing floor space on that floor level, improved structural support including foundations, improved roof structure and cover, floor replacement, improved wall placement, improved exterior and interior appearance of buildings, and other physical changes required to restore or change the obsolete property to an economically efficient condition.

A field investigation indicated that the proposed Obsolete Property Rehabilitation District located at 6432 Woodward Avenue (aka 6430 Woodward Avenue) is eligible as it pertains to the Obsolete Property Rehabilitation Act under P.A. 146 of 2000, as amended.

RE: Master Plan Interpretation for Obsolete Property District (PA 146) at 6432 Woodward

Avenu**e**

DATE: June 3, 2019

CC: Maurice Cox, Director, Planning and Development

Kevin Schronce, Central Region, Planning and Development

In order to ensure that the issuance of a **certificate** for an **Obsolete Property District** is in conformance with the City's Master Plan of Policies and will have the reasonable likelihood to increase commercial activity; create, retain or prevent a loss of employment; revitalize an urban area; or increase the number of residents in a community, pursuant to State of Michigan, Public Act 146 of 2000 (section 125.2784), the Planning and Development Department submits the following interpretation. The petitioner for this development is Mitten Capital, LLC.

Location and Project Proposal: Project seeks to renovate existing 0.085 acre parcel into a fine dining restaurant. Current property is occupied by a 2-story commercial building totaling approximately 5,600 square feet. Purchased in May 2018, the building primarily served as the Detroit Hardware Company. Extensive repairs are required to bring the building up to electrical code and meet future use requirements.

Master Plan Interpretation

The subject site area is designated **Major Commercial (CM)**. Major Commercial areas are generally distinguished by high-density office buildings with ground floor retail. Included within these areas may be department stores, specialized shops and services catering to area office or residential land uses. Areas should be accessible to mass transit routes and automobile parking on the street or in structures. Ground level activity should be pedestrian oriented. Downtown and New Center are Detroit's major commercial areas.

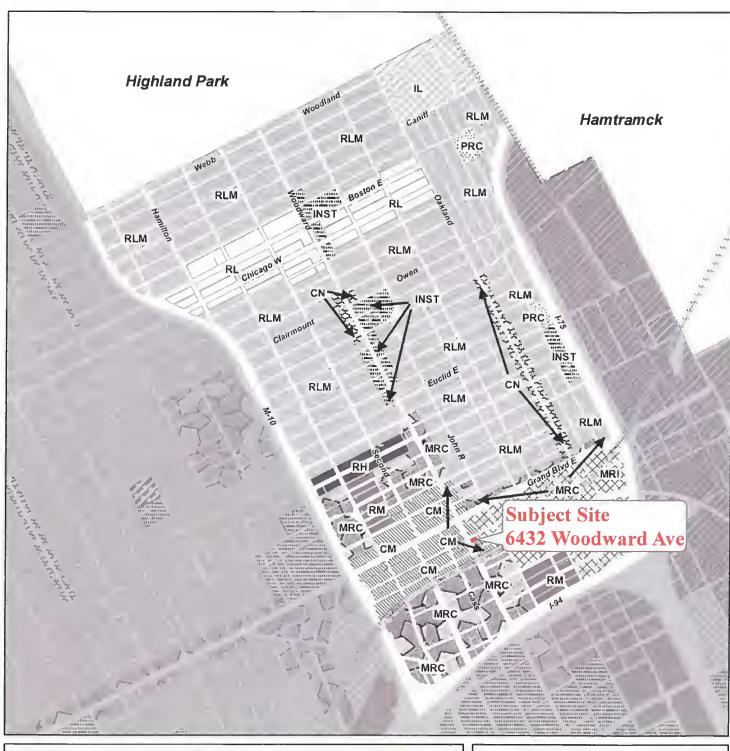

The following policies of the Middle Woodward neighborhood describe the following recommendations:

- Policy 5.1 Encourage high density mixed uses along Woodward and East and West Grand Boulevard with uses complimentary to the area's office and theatre anchors
- Goal 6 Increase the vitality of neighborhood commercial areas

The proposed development conforms to the Future General Land Use characteristics of the area.

June 28, 2019

Detroit City Council 1340 Coleman A. Young Municipal Center Detroit, Michigan 48226

RE: Public Hearing on the Establishment of a Neighborhood Enterprise Zone as requested by Herman Keifer Development, LLC consisting of the area bounded by Rosa Parks Boulevard, the alley North of Clairmount Avenue, the alley West of Woodward Avenue, and the alley South of Virginia Park Street, Detroit, Wayne County, Michigan in accordance with Public Act 147 of 1992. (Petition #1479)

Honorable City Council:

The Housing and Revitalization Department, Planning and Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that establishment of the **Herman Kiefer Residential** Neighborhood Enterprise Zone would be consistent with all of the aforementioned.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones". Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not later than 45 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (boundary map) and described in the parcel list attached to the Assessor report. The developer proposes the redevelopment of certain blighted homes to become viable residential properties, in addition to providing local homeowners the ability to apply for NEZ exemption certificates in order to facilitate redevelopment of their homes.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act.

Respectfully submitted.

S2TY CLERK 2219 JUN 28 #M2125

BY COUNCIL MEMBER

WHEREAS, pursuant to Public Act No. 147 of the Public Acts of 1992 ("the Act"), this City Council has the authority to establish "Neighborhood Enterprise Zones (NEZs)" within the boundaries of the City of Detroit,

WHEREAS, Herman Keifer Development, LLC has requested establishment of "Herman Kiefer Residential" NEZ whose boundaries are particularly described in the parcel list attached to the Assessor report and illustrated in the map attached hereto; and

WHEREAS, The Act 147 requires that, prior to establishing an NEZ, the City Council shall provide an opportunity for a Public Hearing on such establishment, at which Public Hearing, any representative of a taxing authority levying *ad valorem* taxes within the City, or any resident or taxpayer of the City of Detroit may appear and be heard on the matter;

NOW THEREFORE BE IT

RESOLVED, that on the _____day of_____, 2019, at ____a.m., in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application for establishment of an NEZ within the boundaries described in the parcel list attached to the Assessor report and as illustrated in the map attached hereto; and be it finally,

RESOLVED, that the City Clerk will provide notice of the Public Hearing to the general public by publication, and shall give written notice by certified mail to the taxing authorities and to the owners of all real property within the NEZ.

June 2, 2017

Detroit City Council c/o City Clerk Coleman A. Young Municipal Building, Room 200 Detroit, Michigan 48226

RE: Petition to Establish the Herman Kiefer Residential Neighborhood Enterprise Zone District

Dear Honorable City Council Members:

AKT Peerless, on behalf of Herman Kiefer Development, LLC, is submitting this revised package to facilitate establishment of a Neighborhood Enterprise Zone district pursuant to Michigan Public Act 147 of 1992, the Neighborhood Enterprise Zone (NEZ) Program.

District Description

The proposed district (the "Herman Kiefer Residential Neighborhood NEZ") consists of approximately 1,000 residential parcels bounded by Clairmount Avenue to the North, Third Street to the East, the alley between Virginia Park Street and Seward Avenue to the South and Rosa Parks Boulevard to the West and the parcel located at 1151 Taylor Street (Parcel ID No. 6004348.001) in Detroit, Wayne County, Michigan (the "subject property"). The proposed district is specifically described by the attached map. This letter summarizes the qualifications of the proposed district.

The proposed Herman Kiefer Residential Neighborhood NEZ District encompasses approximately 1,000 residential parcels including 503 which are currently owned by the Detroit Land Bank Authority (DLBA) or the City of Detroit and 7 parcels which the Developer previously acquired. It also includes the parcel containing the former Herman Kiefer Hospital property, with address 1151 Taylor Street. The proposed district spans approximately 171.7 acres.

Herman Kiefer Development, LLC's comprehensive redevelopment plan includes renovating certain blighted homes to become viable residential properties that will enhance the neighborhood. In addition, creation of the district will permit other homeowners to apply for NEZ exemption certificates in order to facilitate redevelopment of their homes.

Creation of the district and approval of an exemption certificate is critical to improving the Herman Kiefer Residential Neighborhood. The applicant is not delinquent in the payment of any taxes related to the blighted properties.

Purpose for Renovation of Residential Properties

Rehabilitation is necessary to correct conditions which deter investment in the community and to attract new residents. At least 500 of the residential parcels in this neighborhood are vacant.

Herman Kiefer Residential Neighborhood NEZ District Application

Rehabilitating adjacent homes will spur revitalization and reverse negative economic and social

Benefits to the Community

Completion of the residential rehabilitation will, at the time of issuance of an NEZ exemption certificate, have the reasonable likelihood to increase population density, reduce blight, and attract nearby commercial activity in the neighborhood.

Eligibility

The Herman Kiefer Residential Neighborhood NEZ District is eligible because it is located within a local governmental unit and contains at least ten platted parcels of land that are compact and contiguous. It should be noted that the establishment of the district will spur development and rehabilitation that might not otherwise occur. T

Projected Start and Completion Date

The renovations are estimated to start early summer of 2017 and are expected to continue and build off of the momentum of the nearby Herman Kiefer Complex brownfield project which includes the rehabilitation and reuse of over 760,000 square feet of commercial space.

Total Capital Investment

It is estimated that the creation of the NEZ District will spur investment of over \$2.5 million in

A list of parcels and a map of the proposed district is attached.

Thank you for your consideration of this petition.

Sincerely,

Bret Stuntz Vice President AKT Peerless 333 W. Fort St., Ste. 1410 Detroit, MI 48226 (248) 302-1398

COLEMAN A. YOUNG MUNICIPAL CENTER 2 WOODWARD AVE., SUITE 824 DETROIT, MICHIGAN 48226 PHONE 313•224•6989 TTY:311 FAX 313•224•9400 WWW.DETROITMI.GOV

October 9, 2017

Mr. Maurice Cox Director, Planning & Development 2 Woodward Ave, Suite 808 Detroit, MI 48226

RE: Neighborhood Enterprise Zone
Herman Kiefer Development LLC
Rosa Parks Boulevard, the alley North of Clairmount Avenue, the alley West of Woodward Avenue, and the alley South of Virginia Park Street
See Attached Parcel List

Mr. Cox:

The Office of the Chief Financial Officer, Office of the Assessor, has reviewed the proposed Herman Kiefer Residential **Neighborhood Enterprise Zone**, bounded by Rosa Parks Boulevard, the alley North of Clairmount Avenue, the alley West of Woodward Avenue, and the alley South of Virginia Park Street of Detroit. The developer's proposed plan is to renovate certain blighted homes to become viable residential properties.

The rationale for creating NEZ projects under PA 147 of 1992, as amended, must be based on the anticipation of market value added to the neighborhood upon completion of new construction and/or significant rehabilitation of existing housing stock.

The proposed district encompasses 1,830 properties including approximately 500 Detroit Land Bank Authority property and 7 parcels which the previously acquired. It also include the parcel containing the former Herman Kiefer Hospital property located at 1151 Taylor Street. The current True Cash Value of the proposed area is \$28,131,060 and contains approximately 224.227 acres of land. The True Cash Value of this area would be expected to increase due to the rehabilitation and construction.

Per MCL 207.772 Sec.2 (m) "Rehabilitated facility" means an existing structure or a portion of an existing structure with a current true cash value of \$80,000.00 or less per unit that has or will have as its primary purpose residential housing, consisting of 1 to 8 units, the owner of which proposes improvements that if done by a licensed contractor would cost in excess of \$5,000.00 per owner-occupied unit or 50% of the true cash value, whichever is less, or \$7,500.00 per nonowner-occupied unit or 50% of the true cash value, whichever is less, or the owner proposes improvements that would be done by the owner and not a licensed contractor and the cost of the materials would be in excess of \$3,000.00 per owner-occupied unit or \$4,500.00 per nonowner-occupied unit and will bring the structure into conformance with minimum local building code standards for occupancy or improve the livability of the units while meeting minimum local building code standards. Rehabilitated facility also includes an individual condominium unit, in a structure with 1 or more condominium units that has as its primary purpose residential housing, the owner of which proposes the above described improvements. Rehabilitated facility also includes existing or proposed condominium units in a qualified historic building with 1 or more existing or proposed condominium units. Rehabilitated facility does not include a facility rehabilitated with the proceeds of an insurance policy for property or casualty loss. A qualified historic building may contain multiple rehabilitated facilities.

Neighborhood Enterprise Zone Herman Kiefer Development LLC Page 2

Per MCL 207.773 Sec. 3. (1) The governing body of a local governmental unit by resolution may designate 1 or more neighborhood enterprise zones within that local governmental unit. Except as otherwise provided in this subsection, a neighborhood enterprise zone shall contain not less than 10 platted parcels of land. A neighborhood enterprise zone located in a qualified downtown revitalization district may contain less than 10 platted parcels if the platted parcels together contain 10 or more facilities. All the land within a neighborhood enterprise zone shall also be compact and contiguous. Contiguity is not broken by a road, right-of-way, or property purchased or taken under condemnation if the purchased or condemned property was a single parcel prior to the sale or condemnation.

Upon review, it has been determined that this proposed district located in the Virginia Park area is eligible for designation as a Neighborhood Enterprise Zone per PA 147 of 1992, as amended.

Sincerely

Charles Ericson, MMAO Assessor, Board of Assessors

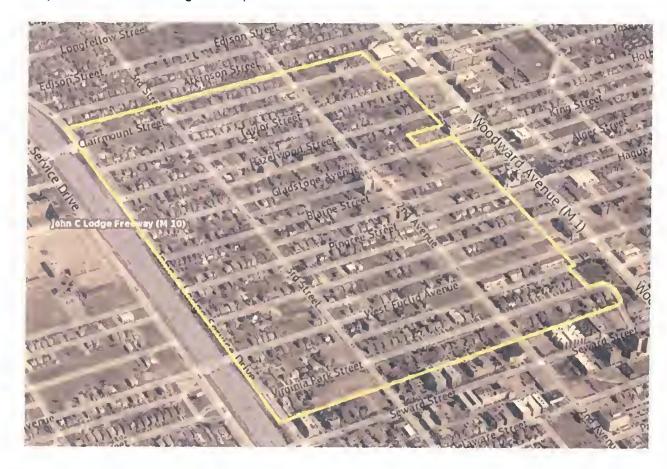

mmp

TO: Veronica Farley, Development Division

FROM: John Baran, Planning Division

Master Plan Interpretation for Neighborhood Enterprise Zone in area bounded by

Rosa Parks, the alley north of Clairmount, the alley west of Woodward, and the alley

south of Virginia Park.

DATE: October 6, 2017

CC: Maurice Cox, Director

In order to ensure consistency with the City's <u>Master Plan of Policies</u>, pursuant to State of Michigan, Public Act 147 of 1992 (section 207.773), the Planning and Development Department's Planning Division submits the following interpretation for the proposed Neighborhood Enterprise Zone (NEZ).

Location

RE:

Area bounded by Rosa Parks, the alley north of Clairmount, the alley west of Woodward, and the alley south of Virginia Park.

Existing Site Information

The majority of the site is zoned R1 (Single Family Residential), R2 (Two-Family Residential) or R3 (Low Density Residential). The area east of the Lodge Freeway, between Euclid and Holbrook, is zoned R5 (Medium Density Residential). The Herman Keifer Site, west of the Lodge, between Taylor and Pingree, is zoned SD2 (Special Development District, Mixed Use). The east side of Rosa Parks, north of Euclid and parcels fronting on Second are zoned B4 (General Business District). The Master Plan Future Land Use designation for the majority of the area is RLM (Low / Medium Density Residential). The Herman Keifer site and the immediate surrounding area is designated as MRC (Mixed Residential Commercial).

Surrounding Site Information

The surrounding area is similarly zoned as R1, R2 or R3. The zoning along Woodward is B4. The Master Plan Future General Land Use for the surrounding area is also RLM. Along Woodward, north of Gladstone, the designation is Neighborhood Commercial (CN) and south of Gladstone, Institutional (INST).

Project Proposal

The redevelopment plan includes renovating blighted homes to become residential properties.

Interpretation

Impact on Surrounding Land Use

The development of the subject site will contribute to the stabilization of the residential area and surround commercial corridor and sites.

Impact on Transportation

There are DDOT transit routes along Woodward, Clairmount and Rosa Parks.

PDD/PDDIPI/NPtanning Div/D0 - Master Plan/Interpretations NFZ (PA 147)/1151 Taylor.doc

Master Plan Interpretation

The Master Plan Future General Land Use designation for the majority of the site is RLM and MRC for the Herman Kiefer site and the immediate surrounding area. Low / Medium - Density Residential areas should have an overall density of 8 to 16 dwelling units per net residential acre. The areas are often characterized by two or four family homes with small yards, on-street parking or garages with alley access. Mixed Residential-Commercial areas consist predominantly of medium-to-high density housing developed compatibly with commercial and/or institutional uses. This classification is well suited to areas proximal to existing centers of major commercial activity, major thoroughfares, transportation nodes, or gateways into the city.

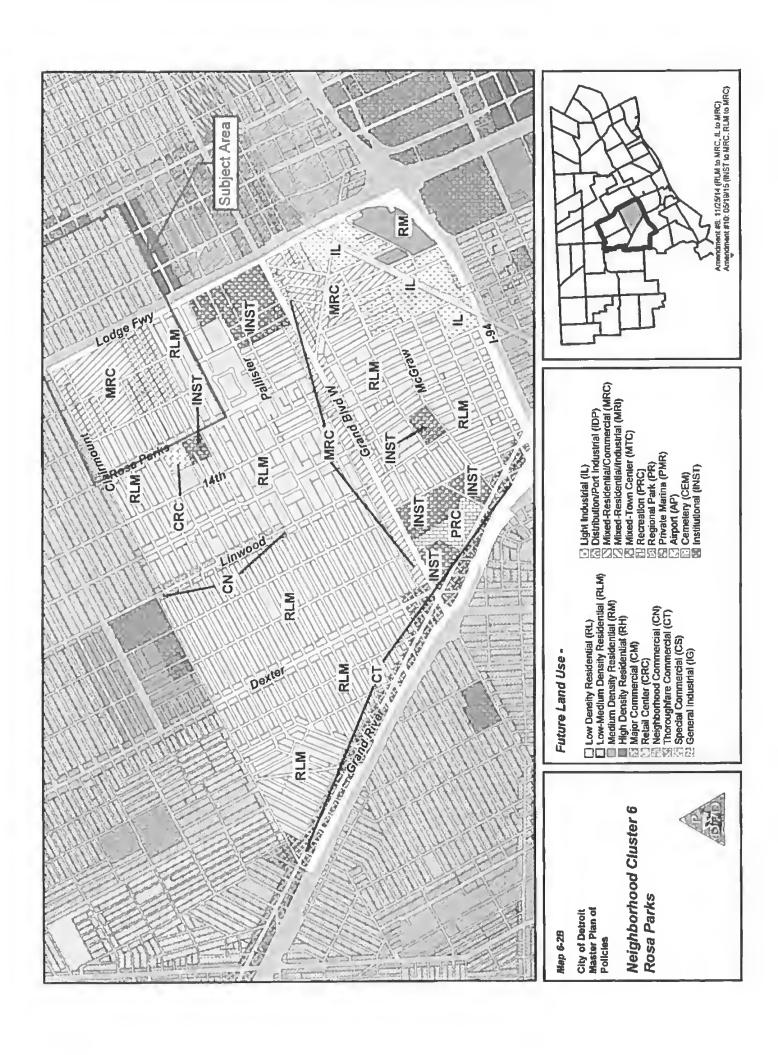

The proposed development conforms to the Future General Land Use of the area and therefore is compatible.

Detroit City Council Coleman A. Young Municipal Center 2 Woodward Ave., Suite 1340 Detroit, MI 48226

Re: Request for Public Hearing to Approve an Obsolete Property Rehabilitation Certificate on behalf of Metropolitan Development Partners, LLC in the area of 33 John R. Street, Detroit, Michigan, in accordance with Public Act 146 of 2000 (Petition #436).

Honorable City Council:

The Housing and Revitalization Department and Finance Departments have reviewed the application of **Metropolitan Development Partners**, **LLC** and find that it satisfies the criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

Public Act 146 of 2000 states that the legislative body of the qualified local governmental unit, shall by resolution either approve or disapprove the application for an Obsolete Property Rehabilitation Exemption Certificate in accordance with Section 8 and other provisions of this act. Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district.

We request that a Public Hearing be scheduled on the issue of approving the application for the Obsolete Property Rehabilitation Certificate. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,

Donald Rencher

Director

DR/vf

c: S. Washington, Mayor's Office

M. Cox, P&DD

D. Rencher, HRD

V. Farley, HRD

BY	COUNCIL	MEMBER		

WHEREAS, pursuant to Public Act No. 146 of 2000 ("the Act") this City Council may adopt resolution which approves the application of an Obsolete Property Rehabilitation Certificate within the boundaries of the City of Detroit; and

WHEREAS, Metropolitan Development Partners, LLC has made application for an Obsolete Property Rehabilitation Certificate whose boundaries are particularly described in the map and legal description attached hereto; and

WHEREAS, prior to such approval, the City Council shall provide an opportunity for a Public Hearing, at which Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

NOW THEREFORE BE IT

RESOLVED, that on the _______, 2019 in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application and be it finally

RESOLVED, that the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit.

Application for Obsolete Property Rehabilitation Exemption Certificate

This form is issued as provided by Public Act 146 of 2000, as amended. This application should be filed after the district is established. This project will not receive tax benefits until approved by the State Tax Commission. Applications received after October 31 may not be acted upon in the current year. This application is subject to eudit by the State Tax Commission.

INSTRUCTIONS: File the original and two copies of this form and the required attachments with the clerk of the local government unit. (The State Tax Commission requires two copies of the Application and attachments. The original is retained by the clerk.) Please see State Tax Commission Bulletin 9 of 2000 for more information about the Obsolete Property Rehabilitation Exemption. The following must be provided to the local government unit as attachments to this application: (a) General description of the obsolete facility (year built, original use, most recent use, number of stories, square footage); (b) General description of the proposed use of the rehabilitated facility, (c) Description of the general nature and extent of the rehabilitation to be undertaken, (d) A descriptive list of the fixed building equipment that will be a part of the rehabilitated facility, (e) A time schedule for undertaking and completing the rehabilitation of the facility, (f) A statement of the economic advantages expected from the exemption. A statement from the assessor of the local unit of government, describing the required obsolescence has been met for this building, is required with each application. Rehabilitation may commence after establishment of district.

33 John R ST. Detroit, MI 38226
Metropolitan Hotel Partners LLC

A. General Description

• Year Built: 1925

Original use: Housed jewelry and watchmakers

• Most recent use: Vacant since 1979

Number of stories: 14Square footage: 122,745

B. General description of the proposed use of the rehabilitated facility:

Mixed-use project including first floor retail and approximately 110 hotel rooms, 2,000 SF meeting room space, food and beverage, gourmet pantry, and a roof-top outdoor patio.

C. Description of the general nature and extent of the rehabilitation to be undertaken:

The rehabilitation includes the complete replacement of all exterior glass, refurbishment of other exterior elements, the demolition of the existing interior partitions, build-out of hotel rooms, and the revamping of the surrounding property with new landscaping and hardscaping.

D. A descriptive list of the fixed building equipment that will be a part of the rehabilitated facility:

The facility will have new HVAC equipment installed on the roof and new fan coil units throughout the new apartment floors. There will also be a centralized domestic hot water system supplied with water heaters. New elevators will also be installed.

E. A time schedule for undertaking and completing the rehabilitation of the facility:

Activity	Completion Date
 Completion of preliminary Property due diligence Securing of preliminary financing commitments Purchase of Property Completion of local entitlement process 	Complete Complete Complete Complete

930 Buhl Building | 535 Griswold Street | Detroit, MI 48226

Metropolitan Hotel Partners LLC

Completion of construction documentation
 Financial closing and construction commencement
 Complete
 Construction completion
 Dec. 2018

F. Statement of economic advantages

The rehabilitation of the facility would not be undertaken without the applicant's receipt of the exemption certificate. The tax relief is imperative for Developer to proceed with this project. Without such relief, the project would not be able to offer a competitive lease rate to other properties in the neighborhood, all of which have received similar tax abatements. If the planned investments were undertaken without the benefit of this abatement, the resulting tax burden on the building would generate a negative cash flow, and as such, the project could not be financed.

The economic benefits of this project are significant. Apart from saving an important and historic property from near-certain demolition, the project will generate up to 200 construction jobs and up to 25 permanent jobs, associated with the operation of the hotel. In addition, the delivery of 110 new hotel rooms to this important corner will continue the evolution of the Central Business District into a high-density hotel neighborhood, which in turn, will support the increasing number of entertainment and conference activities that will be coming to the city.

RE: Obsolete Property Rehabilitation Certificate - Metropolitan Hotel Portners LLC

Property Address: 33 John R Street Parcel Number: 01004065-7.

Dear Mr. Cox:

The Office of the Chief Financial Officer, Office of the Assessor, has reviewed the proposed Obsolete Property Rehabilitation certificate application for the property located at 33 John R Street in the Downtown area in the City of Detroit.

The rationale for granting Obsolete Property Rehabilitation certificates under PA 146 of 2000, as amended, is based on the anticipation of increased market value upon completion of new construction and /or significant rehabilitation of existing commercial property and commercial housing property. Normal repair and maintenance are not assessed and do not necessarily generate additional market value.

Metropolitan Hotel Partners LLC plans to rehabilitate the vacant 14 story office building that is in a state of disrepair built in 1925 on .170 acres of land. The rehabilitated building will transformed into a mixed-use project including first floor retail and approximately 110 hotel rooms, 2,000 square foot meeting room space, food and beverage, gourmet pantry and a roof-top outdoor patio.

The 2018 values are as follows:

Parcel #	Address	Bullding Value (S	Assessed	Buildi Taxabl	ng e Value	Land Assessed Value (SEV)	Land Taxable Value
01004065-7	33 JOHN R	\$	38,900	\$	34,235	\$185,700	\$163,430

This property meets the criteria set forth under PA 146 of 2000, as amended. It applies to blighted, functionally obsolete and contaminated properties. "Rehabilitation," meaning that changes to qualified facilities that are required to restore or modify the property, together with all appurtenances, to an economically efficient condition.

The proposed rehabilitation plan includes complete replacement of all exterior glass, refurbishment of exterior elements, demolition of existing interior partitions, build-out of hotel rooms and revamping of the surrounding property with new landscaping and hardscaping. The finished project will save a historic property, create jobs in the Downtown area and support increasing number of entertainment and conference activities that will be coming to the city.

A field investigation indicated that the property located at 33 John R Street is eligible as it pertains to the Obsolete Property Rehabilitation Act under P.A. 146 of 2000, as amended.

Sincere

Charles Ericson, MMAO
Assessor, Board of Assessors

RE: Master Plan Interpretation for **Obsolete Property District** for property located at 33

John R

DATE: October 15, 2018 CC: Maurice Cox, Director

In order to insure that the issuance of a certificate for an **Obsolete Property District** is in conformance with the City's Master Plan of Policies and will have the reasonable likelihood to increase commercial activity; create, retain or prevent a loss of employment; revitalize an urban area; or increase the number of residents in a community, pursuant to State of Michigan, Public Act 146 of 2000 (section 125.2781), the Planning and Development Department's Planning Division submits the following interpretation.

Petitioner:

Metropolitan Hotel Partners LLC

Project Description:

Rehabilitation of a 14-story vacant, 122,745 SF building into a mixed-use project to include retail on the first floor and approximately 110 hotel rooms above, 2000 SF meeting room space, food and beverage, gourmet pantry, and a roof-top outdoor patio. Project will also include new landscaping and hardscaping of the surrounding property.

Project Location:

33 John R

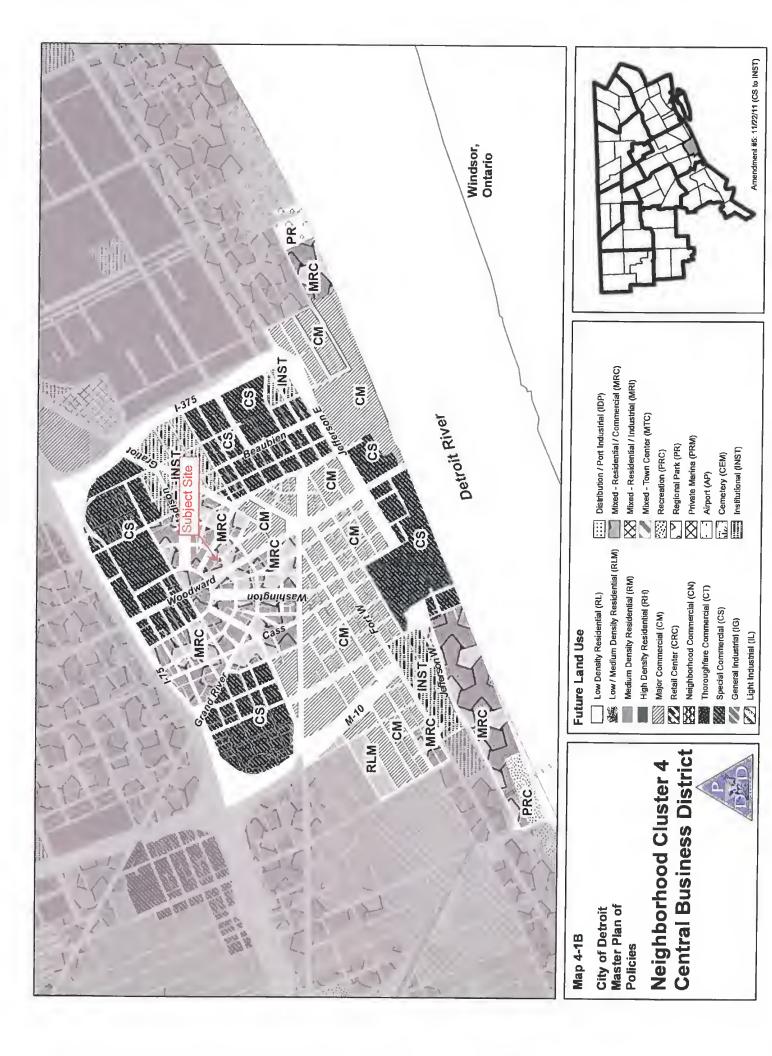

Master Plan Interpretation:

The Master Plan Future General Land Use designation for the site Mixed Residential and Commercial (MRC). Mixed - Residential / Commercial areas consist primarily of high-density housing developed compatibly with commercial and/or institutional uses. This classification is well suited to areas proximal to existing centers of major commercial activity, major thoroughfares, transportation nodes or gateways into the City.

The development does not change the Future General Land Use characteristics of the area and conforms to various Master Plan policies.

Attachment:

Future General Land Use: Map 4-1B, Neighborhood Cluster 4, Central Business District

Metropolitan Hotel Partners LLC

- 1. What was the plan for hiring Detroiters?
 - a. The Developer promoted Detroit employment in a number of ways: first, sought out those Detroit-based contractors who have the closest connections to the Detroit labor base
 - Second, insisted that all subcontractors prioritize the hiring of Detroiters, in the event that there was a need for additional labor on the project, and
 - c. Lastly, participated in community outreach programs such as the DEGC's D2D presentations.
- 2. Please give a detailed description of the jobs available as listed in the above chart, i.e: job type, job qualifications, etc.
 - a. Construction: 50
 - (5) Professionals: engineers
 - (25) Craft workers (trades): supervisors, carpentry, electrical, plumbing and HVAC
 - (20) Laborers
 - b. Post-Construction: 30
 - (2) Managers: General Manager, Assistant General Manager
 & Direct of Sales
 - (2) Office & Clerical: office assistants & front desk
 - (4) Service Workers: Housekeeping
 - (2) Service Workers: Janitors
 - (20) Service Workers: Wait staff & cooks
- 3. Will this development cause any relocation that will create new Detroit residents?
 - a. As the project is resulting in 110 new hotel rooms, it will undoubtedly create jobs that will attract new people to Detroit from other communities in Metro Detroit and around the country.
- 4. Has the developer reached out to any community groups to discuss the project and/or any potential jobs?
 - a. Yes, the developer connected with several community engagement stakeholders in the development's neighborhood. Further, the developer is working with the City and community to promote the hiring of full time workers for the hotel.
- 5. When is construction slated to begin?
 - a. August 18, 2017
- 6. What is the expected completion date of construction?
 - a. December 31, 2018

Re: Request for a Public Hearing to Establish an Obsolete Property Rehabilitation District on behalf of City of Detroit in the area of Paradise Valley District Detroit, Michigan, in accordance with Public Act 146 of 2000 (Petition # 896).

Honorable City Council:

The Housing and Revitalization Department has reviewed the application of City of Detroit and find that it satisfies the criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district, said notice is to be made not less than 10 days or more than 30 days prior to your Honorable Body's adoption of said resolution.

We request that a Public Hearing be scheduled on the issue of establishing an Obsolete Property Rehabilitation District. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,

Donald Rencher

Director

June 6, 2019

Detroit City Council Coleman A. Young Municipal Center 2 Woodward Ave. Suite 1340 Detroit, Michigan 48226

RE: Petition to establish an Obsolete Property Rehabilitation District in the Livernois-McNichols Retail District

Honorable City Council:

The City of Detroit is requesting the establishment of an Obsolete Property Rehabilitation District pursuant to Michigan Public Act 146 of 2000, the Obsolete Property Rehabilitation Act ("the Act") to support redevelopment activities within the Livernois-McNichols retail district. The proposed boundaries for the District are depicted in the attached map.

The Livernois-McNichols retail area is a premier retail destination, connecting University of Detroit Mercy, Marygrove College, University District, Bagley, Fitzgerald, and Martin Park. Establishment of an OPRA tax exemption district will facilitate the redevelopment of vacant and abandoned retail properties, including three currently planned projects:

Address	Principal(s)	Description
7316 W McNichols	Marcus Jones Akunna Olumba	4,500-SF vacant property rehabilitated as the Detroit Pizza Bar
7434 W McNichols	Robert Williams	3,900-SF vacant property to be rehabilitated for retail use
7303 W McNichols	Roderick A. Hardamon George N'Namdi Richard Hosey	Mixed-used development with 30 rental units and 7,200 SF of retail, known as the Atrium at West McNichols. 7329 W McNichols & 7355 W
7329 W McNichols	•	McNichols are currently owned by the city and will be purchased by the developer. Normal course of land conveyance will be adhered to.
7355 W McNichols		

In support of the City's targeted commercial corridor investments, the OPRA district will include all eligible property within a retail area that has been defined through a multiyear planning effort. In 2017, the City completed a yearlong redevelopment planning process that identified this intersection as a key retail node for the surrounding neighborhoods. The study also identified 23 sites in the retail district that would require gap financing to activate. In 2018, DEGC completed a study that estimated the full demand for retail space in Livernois McNichols and identified a central node for retail activation. Both studies were conducted with community partner input and are aligned with other strategic investments.

Despite growing interest and ongoing development, multiple properties in the proposed OPRA district are underutilized or vacant. These include many retail buildings that were prioritized for preservation and redevelopment through these planning processes. DEGC and the City recognize that property tax exemptions are often necessary to support investment in commercial corridors. In most cases, projects requiring incentives cannot proceed until the district is in place, making the establishment of tax-incentive districts a key prior activity for retail activation.

DEGC emphasizes that the district does not in itself create a tax exemption. Only property owners who undertake significant development efforts will be eligible to request an exemption certificate in the proposed Obsolete Property Rehabilitation District. The future property owner(s) would need to apply to the City of Detroit for an Obsolete Property Rehabilitation Exemption Certificate that provides for the actual exemption. All Obsolete Property Rehabilitation District Exemptions Certificates would be subject to approval by the Detroit City Council and the Michigan Tax Commission.

All projects will be subject to DEGC underwriting standards and subject to a "but for" determination.

Statutory Definition

Obsolete Property Rehabilitation District – The proposed district consists of 1 or more parcels or tracts of land or a portion of a parcel or tract of land, provided that the parcel or tract is either of the following:

- a. Obsolete property in an area characterized by obsolete commercial property or commercial housing property.
- b. Obsolete property that is commercial property that was owned by the local governmental unit on June 6, 2000 and was later conveyed to a private owner.

Obsolete Property Rehabilitation District Requirements

The proposed district must meet the requirements set forth by the Act. As a qualified local governmental unit, the City of Detroit may, by resolution, of its City Council, establish an Obsolete Property Rehabilitation District on its own initiative. The City is making this request in anticipation of future development.

The proposed Obsolete Property Rehabilitation District contains a total of 22.2 acres. This designation will further support the City's effort to redevelop the site. A map of the district and parcels contained therein are attached. Its boundaries are described as follows:

Beginning at the intersection of the westerly line of Livernois Avenue, and the southerly line of McNichols Avenue, thence southerly along the westerly line of Livernois Avenue to the intersection with the northerly line of Florence Avenue, thence westerly along the northerly line of Florence Avenue to the intersection with westerly line of the first public alley west of Livernois Avenue, thence northerly along the easterly line of said public alley to the intersection with the first public alley south of West McNichols Road, thence westerly along the northerly line of said public alley to the intersection with the easterly line of Greenlawn Avenue to the intersection with the southerly line of the first public alley north of West McNichols Road, thence easterly along the southerly line of said public alley to the intersection with the easterly line of Santa Rosa Drive, thence northerly along the easterly line of Santa

Rosa Drive to the southerly line of the first public alley north of West McNichols Road, thence easterly along the southerly line of said public alley to the intersection with the westerly line of Stoepel Avenue, thence southerly along the westerly line of Stoepel Avenue to the intersection with the southerly line of West McNichols Road, thence easterly along McNichols Road to the intersection with the point of beginning, containing 22.2 acres, more or less.

Thank you for your consideration of this petition

Sincerely,

Maurice Cox

Detroit City Council 1340 Coleman A. Young Municipal Center Detroit, MI 48226

Re: Request for a Public Hearing to Establish an Obsolete Property Rehabilitation District on behalf of City of Detroit in the area of Livernois-McNicholas Retail District, Detroit, Michigan, in accordance with Public Act 146 of 2000 (Petition # 972).

Honorable City Council:

The Housing and Revitalization Department has reviewed the application of City of Detroit and find that it satisfies the criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district, said notice is to be made not less than 10 days or more than 30 days prior to your Honorable Body's adoption of said resolution.

We request that a Public Hearing be scheduled on the issue of establishing an Obsolete Property Rehabilitation District. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,

Donald Rencher

Director

BY	COUNCIL	MEMBER	_		

WHEREAS, pursuant to Public Act No. 146 of 2000 ("the Act") this City Council may adopt a resolution which approves the application of an Obsolete Property Rehabilitation District within the boundaries of the City of Detroit; and

WHEREAS, City of Detroit has filed an application for an Obsolete Property Rehabilitation District whose boundaries are particularly described in the map and legal description attached hereto; and

WHEREAS, prior to such approval, the City Council shall provide an opportunity for a Public Hearing, at which Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

NOW THEREFORE BE IT

RESOLVED, that on the ______, 2019 in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application and be it finally

RESOLVED, that the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit.

RE: Petition to establish an Obsolete Property Rehabilitation District in the Livernois-McNichols Retail District

Honorable City Council:

The City of Detroit is requesting the establishment of an Obsolete Property Rehabilitation District pursuant to Michigan Public Act 146 of 2000, the Obsolete Property Rehabilitation Act ("the Act") to support redevelopment activities within the Livernois-McNichols retail district. The proposed boundaries for the District are depicted in the attached map.

The Livernois-McNichols retail area is a premier retail destination, connecting University of Detroit Mercy, Marygrove College, University District, Bagley, Fitzgerald, and Martin Park. Establishment of an OPRA tax exemption district will facilitate the redevelopment of vacant and abandoned retail properties, including three currently planned projects:

Address	Principal(s)	Description
7316 W McNichols	Marcus Jones Akunna Olumba	4,500-SF vacant property rehabilitated as the Detroit Pizza Bar
7434 W McNichols	Robert Williams	3,900-SF vacant property to be rehabilitated for retail use
7303 W McNichols	Roderick A. Hardamon George N'Namdi Richard Hosey	Mixed-used development with 30 rental units and 7,200 SF of retail, known as the Atrium at West McNichols. 7329 W McNichols & 7355 W
7329 W		McNichols are currently owned by the city and will
McNichols		be purchased by the developer. Normal course of land conveyance will be adhered to.
7355 W McNichols		

In support of the City's targeted commercial corridor investments, the OPRA district will include all eligible property within a retail area that has been defined through a multiyear planning effort. In 2017, the City completed a yearlong redevelopment planning process that identified this intersection as a key retail node for the surrounding neighborhoods. The study also identified 23 sites in the retail district that would require gap financing to activate. In 2018, DEGC completed a study that estimated the full demand for retail space in Livernois McNichols and identified a central node for retail activation. Both studies were conducted with community partner input and are aligned with other strategic investments.

Despite growing interest and ongoing development, multiple properties in the proposed OPRA district are underutilized or vacant. These include many retail buildings that were prioritized for preservation and redevelopment through these planning processes. DEGC and the City recognize that property tax exemptions are often necessary to support investment in commercial corridors. In most cases, projects requiring incentives cannot proceed until the district is in place, making the establishment of tax-incentive districts a key prior activity for retail activation.

DEGC emphasizes that the district does not in itself create a tax exemption. Only property owners who undertake significant development efforts will be eligible to request an exemption certificate in the proposed Obsolete Property Rehabilitation District. The future property owner(s) would need to apply to the City of Detroit for an Obsolete Property Rehabilitation Exemption Certificate that provides for the actual exemption. All Obsolete Property Rehabilitation District Exemptions Certificates would be subject to approval by the Detroit City Council and the Michigan Tax Commission.

All projects will be subject to DEGC underwriting standards and subject to a "but for" determination.

Statutory Definition

Obsolete Property Rehabilitation District – The proposed district consists of 1 or more parcels or tracts of land or a portion of a parcel or tract of land, provided that the parcel or tract is either of the following:

- a. Obsolete property in an area characterized by obsolete commercial property or commercial housing property.
- b. Obsolete property that is commercial property that was owned by the local governmental unit on June 6, 2000 and was later conveyed to a private owner.

Obsolete Property Rehabilitation District Requirements

The proposed district must meet the requirements set forth by the Act. As a qualified local governmental unit, the City of Detroit may, by resolution, of its City Council, establish an Obsolete Property Rehabilitation District on its own initiative. The City is making this request in anticipation of future development.

The proposed Obsolete Property Rehabilitation District contains a total of 22.2 acres. This designation will further support the City's effort to redevelop the site. A map of the district and parcels contained therein are attached. Its boundaries are described as follows:

Beginning at the intersection of the westerly line of Livernois Avenue, and the southerly line of McNichols Avenue, thence southerly along the westerly line of Livernois Avenue to the intersection with the northerly line of Florence Avenue, thence westerly along the northerly line of Florence Avenue to the intersection with westerly line of the first public alley west of Livernois Avenue, thence northerly along the easterly line of said public alley to the intersection with the first public alley south of West McNichols Road, thence westerly along the northerly line of said public alley to the intersection with the easterly line of Greenlawn Avenue, thence northerly along the easterly line of Greenlawn Avenue to the intersection with the southerly line of the first public alley north of West McNichols Road, thence easterly along the southerly line of said public alley to the intersection with the easterly line of Santa Rosa Drive, thence northerly along the easterly line of Santa

Rosa Drive to the southerly line of the first public alley north of West McNichols Road, thence easterly along the southerly line of said public alley to the intersection with the westerly line of Stoepel Avenue, thence southerly along the westerly line of Stoepel Avenue to the intersection with the southerly line of West McNichols Road, thence easterly along McNichols Road to the intersection with the point of beginning, containing 22.2 acres, more or less.

Thank you for your consideration of this petition

Sincerely,

Maurice Cox

COLEMAN A. YOUNG MUNICIPAL CENTER 2 WOODWARD AVENUE, SUITE 908 DETROIT, MICHIGAN 48226 (313) 224-6380 • TTY:711 (313) 224-1629 WWW.DETROITMI.GOV

June 28, 2019

Detroit City Council Coleman A. Young Municipal Center 2 Woodward Ave., Suite 1340 Detroit, MI 48226

Re: Request for Public Hearing to Approve an Obsolete Property Rehabilitation Certificate on behalf of AH Associates, LLC in the area of 243 W. Congress St., Detroit, Michigan, in accordance with Public Act 146 of 2000 (Petition #778).

Honorable City Council:

The Housing and Revitalization Department and Finance Departments have reviewed the application of **AH Associates**, **LLC** and find that it satisfies the criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

Public Act 146 of 2000 states that the legislative body of the qualified local governmental unit, shall by resolution either approve or disapprove the application for an Obsolete Property Rehabilitation Exemption Certificate in accordance with Section 8 and other provisions of this act. Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district.

We request that a Public Hearing be scheduled on the issue of approving the application for the Obsolete Property Rehabilitation Certificate. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,

Donald Rencher

Director

BY	COUNCIL	MEMBER_		_
----	---------	---------	--	---

WHEREAS, pursuant to Public Act No. 146 of 2000 ("the Act") this City Council may adopt resolution which approves the application of an Obsolete Property Rehabilitation Certificate within the boundaries of the City of Detroit; and

WHEREAS, AH Associates, LLC has made application for an Obsolete Property Rehabilitation Certificate whose boundaries are particularly described in the map and legal description attached hereto; and

WHEREAS, prior to such approval, the City Council shall provide an opportunity for a Public Hearing, at which Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

NOW THEREFORE BE IT

RESOLVED, that on the _______, 2019 in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application and be it finally

RESOLVED, that the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit.

RE: Request for the Establishment of an Obsolete Property Rehabilitation Act (OPRA) District at 243 West Congress Street, Detroit, MI 48226 for AH

Associates, LLC

Honorable City Council:

Please accept this letter as a request to establish an Obsolete Property Rehabilitation Certificate (OPRA) for the property located at 243 West Congress Street, Detroit, MI 48226, which is referred to herein as the "Property" and described on Attachment A. The Property will be rehabilitated by the petitioner and current owner, AH Associates LLC. An OPRA District was established October 27, 2017 under Petition #1623.

Company and Project Synopsis

AH Associates, LLC (the "Developer") is managed through Sterling Group, which has, been actively involved for over 25 years and has participated in some of the regions most significant projects, from historic restorations and renovations, to operating in all real estate sectors. Gary Torgow founded Sterling group In 1988. Sterling Group is now operated by the second generation of the Torgow family, led by Elie and Manny Torgow, along with a very skilled team of professionals including Its Chief Development Officer, Danny Samson. Sterling Group is skilled at new construction adaptive reuse/restoration techniques including the redeveloping of historic or challenged buildings. They have a focus in sustainable development, which is a major focus of their development philosophy.

The proposed project contains a single, approximately 0.408 acre parcel at 243 West Congress Street, and is bounded by West Congress Street to the North, the property line to the East (225 West Congress), the alley between West Congress Street and West Larned Street to the South, and Washington Boulevard to the West. The Property is located in the Central Business District of Detroit, centrally located across the street from the Cobo Convention Center with people mover access about an eighth of a mile to the West of the Property, and the Ambassador Bridge approximately four miles Southwest. The Property contains a 10-story building totaling approximately 164,000 square feet. The building is currently vacant, and had been gutted by the previous owner who abandoned the project. The building currently remains uninhabitable.

The 243 West Congress Street redevelopment will entail the rehabilitation of the current building into a first floor retail/commercial business space, with the remaining nine floors as office space. As part of the rehabilitation, the building will receive new utilities,

including electrical and plumbing, new energy efficient heating, cooling and ventilation systems, new energy efficient windows and doors, appliances, and fixtures, a new access stairway for the upper floors, and repairs to the building structure as needed. The structure will also be brought up to code per ADA and fire requirements, which may include an ADA lift, and a fire suppression/alarm system if deemed required.

The Necessity for Tax Relief

Substantial investment is necessary to rehabilitate the Property into a viable, long-term development. Additionally, the Property currently consists a dilapidated and damaged building that requires repair and reconstruction with the property rehabilitation. The development would not be possible without the receipt of an OPRA tax abatement.

In order to secure financing and future tenants, the operating costs of the proposed renovations and redevelopment of the project need to be kept as low as possible (including property taxes).

This proposed Development will result in approximately 130 construction jobs, and at least 800 full-time equivalent (FTE) job associated with its ongoing management and maintenance.

PA 146 Request

A 12-year abatement is being requested.

Economic Advantages of the Rehabilitation

Upon completion, the Development will transform an obsolete property to productive use by providing a significant volume of office space, therefore increasing daytime foot traffic and local retail and restaurant partrons in the area. Activation of this Property will spur further growth, and act as a catalyst for future redevelopment of underutilized properties and historic buildings along West Congress Street, Washington Boulevard, and West Larned Street, as well as within the Central Business District of Detroit.

The granting of the OPRA tax abatement will not result in any fewer taxes to the City of Detroit in the short-term or long-term. On a short-term basis, approximately 130 construction jobs will be created. The general contractor has completed multiple projects in the City and will encourage Detroit-based contractor use and ensure workers benefit from the redevelopment.

Upon successful redevelopment, the proposed redevelopment associated with the Development will create approximately 800 full-time equivalent (FTE) jobs related the commercial and office professionals. These new jobs will generate increased income taxes for the City of Detroit.

Following expiration of the 12-year abatement the Property will deliver a significant increase in tax revenue. Over time, the successful redevelopment and cultural growth will have a city-wide impact.

Closing

AH Associates LLC is managed by a seasoned real estate organization, Sterling Group, with extensive experience in all real estate sectors Including multi-family residential, industrial, office, parking, and other specialty areas in Metro Detroit and throughout the country.

Members of the Development team have reached out to local business members of the CBD community, and neighboring property owners, regarding this new ownership, and these anticipated improvements, and garnered significantly positive feedback.

The team is looking forward to pursuing this redevelopment and restoring a historic building to reuse.

Respectfully Submitted, AH Associates LLC

Ben Wayntraub Officer

Attachment A Detailed Project Description

General Description

The proposed Development is located at the intersection of West Congress Street and Washington Boulevard in the Central Business District, Southwest of the Downtown Detroit. The property is loosely bounded by Washington Boulevard to the West, West Congress Street to the North, a property to the East, and an alley to the South. The property consists of one parcel, which is outlined in the map below.

The property has historically been occupied as a rental space for small manufacturing firms in the early 1910s. It was later redeveloped for commercial purposes. In the late 1970s/early 1980s it was set to be torn down, however a local firm saved the structure. It was then passed on to an auto parts supplier, Johnson Controls which later became Adient, Inc, in 2016. In 2018 Adient, Inc. abandoned the project.

The current owner is proposing a complete building rehabilitation due to the property being gutted and fire damage from a fire in May of 2018.

The associated address and parcel identification number can be found below and a copy of the corresponding legal description can be found at the end of this attachment.

Description of Proposed Use

The proposed redevelopment will create additional daytime foot traffic and increase local retail and restaurant patrons in the area. AH Associates will entail the rehabilitation of the current building into a first floor retail and commercial business space as well as create office spaces on the additional 9 floors.

Nature and Extent of the Rehabilitation

Previous owners completely gutted the building as part of partial redevelopment and in May of 2018 there was a fire that caused damage to the roof.

As part of the rehabilitation, the building will receive new utilities including electrical and plumbing, new energy efficient heating, cooling and ventilation systems, new energy efficient windows and doors, and construction of stairwells and elevators. Repairs to the building structure will be completed as needed, and made include additional stabilization efforts, brick repair, and other activities to honor the building's historic appearance. The structure will also be brought up to code per ADA and Fire requirements, which may include an ADA lift and fire suppression/alarm system if deemed required.

The Development will create a first floor retail/commercial business space and office space on the additional 9 floors. These developments are necessary components that are crucial to attracting businesses along with investment in this historic area of Detroit.

AH Associates, LLC intends to apply for a 12 year real property tax abatement under the provisions of an Obsolete Property Rehabilitation Act tax abatement.

Descriptive List of the Fixed Building Equipment/Renovations

Renovations and new fixed building equipment and materials for the project include;

- Masonry; restoration activities associated with the existing building
- Thermal and Moisture Protection; roofing system, caulking and sealing, waterproofing
- Doors and Windows; exterior doors, interior doors/frames/hardware
- Fire alarm/suppression system if required per City code
- · Mechanical; plumbing and HVAC
- Electrical; electrical work, security system, and communications
- Interior rehabilitation and renovation; staircases and elevator input
- Finishes; drywall and steel studs/insulation, hard tile, hardwood/LVT flooring, and painting

Total construction hard cost investment is estimated at \$35-36 million.

Time Schedule

Construction activities are anticipated to commence in late Spring/early Summer of 2019 Construction completion is anticipated for late Spring/early Summer of 2020.

Statement of Economic Advantages

This project will increase employment opportunities, consumer rates, and daytime foot traffic within this area of the Central Business District. Activation of this property will spur further growth and provide spinoff consumer spending in Downtown.

The granting of the tax abatement will not result in any fewer taxes to the City of Detroit in the short-term or long-term. Upon successful redevelopment, the Development will generate increased income taxes, through the new jobs and residents that the project will create.

On a short term basis approximately 130 construction jobs will be created and approximately 800 full-time jobs associated with commercial and office end uses. The general contractor (GC) has worked with Detroit based contractors in the past and they will request bids from Detroit-based contractors and ensure workers benefit from the redevelopment.

Following expiration of the 12-year abatement the building will deliver a significant increase in tax revenue. Over time, the successful redevelopment will have a city-wide impact on office professionals based in the downtown.

City of Detroit Planning Commission Coleman A. Young Municipal Center 2 Woodward Avenue, Suite 208 Detroit, Michigan 48226

Dear Sir/Madam,

We would like to express our full support for the proposed redevelopment of the Historic Marquette Building located on the corner of Congress and Washington by AH Associates LLC. We are current tenants within the Downtown Detroit District and believe that redeveloping the Marquette Building would be a great addition and benefit to the downtown area.

We are pleased that the plans for redesign call for increased office space as well as a new upscale restaurant, both of which will increase the density of foot traffic and activity in the area.

As a Downtown Detroit business owner, we appreciate the willingness of AH Associates LLC to undertake the redevelopment of this building, formerly the site of the Adient project. In addition, we are pleased with the enormous amount of progress which has taken place since AH Associates LLC has been involved. We look forward to this project bringing new life to the Historic Marquette Building and the Downtown Detroit community in general.

Sincerely,

BARRIS, SOTT, DENN & DRIKER, P.L.L.C.

Dear City of Detroit City Planning Commission Members:

Gateway Deli would like to express our full support for AH Associates proposed redevelopment of the Historic Marquette Building located on the Corner of Congress and Washington. We are current tenants within the downtown Detroit district and believe that activating the Marquette building would be a great addition to the downtown area.

We believe that the Downtown district will benefit from this redevelopment, as the plans for redesign call for both increased office locations and a new marquis retail space, which will bring more employees and foot traffic to the area.

As a downtown Detroit business owner we appreciate AH Associates willingness to undertake the former Adlent project and are pleased to see the progress. We look forward to this project bringing new life to the Historic Marquette building and greater Downtown Detroit community.

Sincerely,

Detroit City Council

RE: Master Plan Interpretation for Obsolete Property District (PA 146) at 243 West Congress St.

DATE: May 6, 2019

CC: Maurice Cox, Director, Planning and Development

In order to ensure that the creation of an Obsolete Property District is in conformance with the City's Master Plan of Policies and will have the reasonable likelihood to increase commercial activity; create, retain or prevent a loss of employment; revitalize an urban area; or increase the number of residents in a community, pursuant to State of Michigan, Public Act 146 of 2000 (section 125.2788), the Planning and Development Department submits the following interpretation. The Petitioner of this project is AH Associates, LLC.

Existing Site Information: The site is approximately 0.408 acre parcel and is bounded by West Congress Street to the north, the property line to the East (225 West Congress), the alley between West Congress Street and West Larned Street to the south, and Washington Boulevard to the West. Property is a 10-story building totaling approximately 164,000 square feet. The building is currently vacant, and was previously had interior demolition, but the previous owner abandoned the project.

Location and Project Proposal: 243 West Congress Street; Project seeks to continue the rehabilitation and renovation of existing structure into first floor retail/commercial business space, with the remaining nine floors as office space.

Interpretation

Impact on Surraunding Land Use

Rehabilitation of this structure will strengthen activity in the Central Business District; bringing more foot traffic, commercial, and retail activity to the downtown core.

Impact an Transpartation

The property is served by the Detroit People Mover, stationed inside the Cobo Convention Center right across the street, as well as an additional Detroit People Mover station just a few blocks away. Additionally, the site is in close proximity to numerous bus lines and a MoGo bikeshare station. Project site has easy access around the city by foot, bus, bike, rideshare, and electronic scooters (subject to availability) all throughout the Central Business District

Master Plan Interpretation

The subject site area is designated Major Commercial (CM). Major Commercial areas are generally distinguished by high-density office buildings with ground floor retail. Included within these areas may be department stores, specialized shops and services catering to area office or residential land uses. Areas should be accessible to mass transit routes and automobile parking on the street or in structures. Ground level activity should be pedestrian oriented. Downtown and New Center are Detroit's major commercial areas.

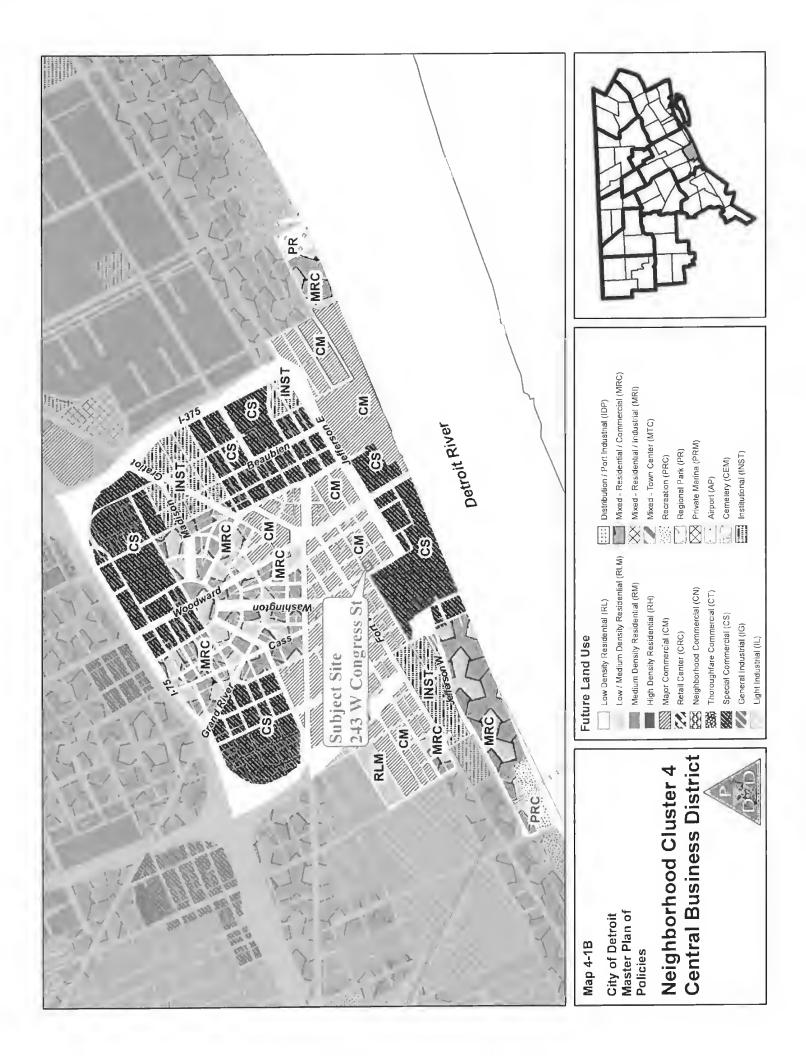

The following policies of the Central Business District describe the following recommendations, applicable to the physical development of this project:

- Policy 3.1: Promote the conservation and revitalization of retail nodes, through business improvement and retention programs in Greektown, Renaissance Center, Millender Center, Broadway-Randolph, and Washington Boulevard
- Policy 6.1: Provide incentives to attract business to participate in the rehabilitation and occupancy of the Central Business District's major office buildings
- Policy 6.2: Cooperate with business organizations and other city agencies to attract corporate headquarters to the Central Business District
- Policy 9.2: Promote parking in structures with ground-level commercial activity. Locate structure entrances and exits away from major pedestrian corridors
- Policy 10.1: Ensure that Central Business District employment and activities are accessible throughout the region by a broad range of transportation alternatives including pedestrians, bicycles, automobiles, and buses.
- Policy 11.1: Give high priority to the preservation of historic buildings, especially the restoration, rehabilitation, and reuse of building facades
- Policy 11.2: Ensure aesthetic compatibility between new and existing structures and sites
- Policy 14.1: Maintain view corridors along gateway thoroughfares and to the riverfront
- Policy 15.1: Develop design guidelines to promote linkages and to the various Central Business
 District business and entertainment districts

The proposed development conforms to the Future General Land Use characteristics of the area.

RE: Obsolete Property Rehabilitation Certificate - AH Associates LLC

Property Address: 243 West Congress Street

Parcel Number: 02000146-52

Dear Mr. Cox:

The Office of the Chief Financial Officer, Office of the Assessor, has reviewed the proposed Obsolete Property Rehabilitation certificate application for the property located at 243 West Congress Street.

The rationale for granting Obsolete Property Rehabilitation certificates under PA 146 of 2000, as amended, is based on the anticipation of increased market value upon completion of new construction and /or significant rehabilitation of existing commercial property and commercial housing property. Normal repair and maintenance are not assessed and do not necessarily generate additional market value.

AH-Associates-LLC-plans to-rehabilitate-the 10-story-vacant and gutted-office-building with-approximately 177,840-square-feet-built-in 1905 on .408 acres of land. Redevelopment of the building will entail first floor retail/commercial business space with the remaining 9 floors as office space. The proposed redevelopment plan includes all new utilities, electrical, plumbing, new energy efficient HVAC system, new windows and doors, new access stairway to upper floors, and repairs to the building structure.

The 2019 values are as follows:

Parcel #	Address	Building Assessed Value (SEV)	Building Taxable Value	Land Assessed Value (SEV)	Land Taxable Value
02000146-52	243 W Congress	\$ 4,045,500	\$ 4,045,500	\$ 825,300	\$ 825,300

This property meets the criteria set forth under PA 146 of 2000, as amended. It applies to blighted, functionally obsolete and contaminated properties. "Rehabilitation," meaning that changes to qualified facilities that are required to restore or modify the property, together with all appurtenances, to an economically efficient condition.

The property is located in **Downtown** and is expected to spur further growth and act as a catalyst for future development and increase the employment in the area.

A field investigation indicated that the property located at **243** West **Congress** is eligible as it pertains to the Obsolete Property Rehabilitation Act under P.A. **146** of 2000, as amended.

Sincerel

Charles Ericson, MMAO Assessor, Board of Assessors

RE: Request to Appropriate surplus program income from the Brownfield Cleanup Revolving Loan Fund

The Environmental Protection Agency (EPA) awarded City of Detroit Buildings, Safety Engineering and Environmental Department (BSEED) with funds to establish a Brownfield Cleanup Revolving Loan Fund (BCRLF). Subsequently, the department has received surplus program income from the BCRLF in the amount \$16,065.74. This request is to establish a new appropriation 20663 West M. 7500 West McNichols Road Brownfield Assessment Project, to support an approved Brownfield assessment project, located at 7500 W. McNichols, in the amount of \$11,410.00. We also request an increase to appropriation number 14108 Environmental Assessment Project, in the amount of \$4,655.74, to support an approved Brownfield assessment project, located at Riverside Park.

The objective of the BCRLF surplus program income is to pay for Brownfield assessment services associated with the 7500 W. McNichols, and Riverside Park projects. The funding allotted to the department will be utilized to pay for contractor services.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

Ryan Friedrichs

Director, Office of Development and Grants

CC:

This request has been approved by the Office of Budget

CITY CLERK 2219 JUN 10 PACKE

Council Member

RESOLUTION

-	 	

WHEREAS, the Buildings, Safety Engineering and Environmental Department (BSEED) is requesting authorization to accept surplus program income from the Brownfield Cleanup Revolving Loan Fund (BCRLF), in the amount \$16,065.74; and

WHEREAS, this surplus program income will support two Brownfield assessment projects. One project is located at 7500 W. McNichols. The other project is located at Riverside Park; and

WHEREAS, the department is requesting authorization to establish appropriation number 20663 in the amount of \$11,410.00, to support the Brownfield assessment project at 7500 W. McNichols; and

WHEREAS, the department is also requesting authorization to increase appropriation number 14108, in the amount of \$4,655.74; and

WHEREAS, this request has been approved by the Office of Budget; now

THEREFORE, BE IT RESOLVED, that the Budget Director is authorized to establish appropriation number 20663 in the amount of \$11,410.00 and to increase appropriation number 14108 by \$4,655.74 for the Brownfield Cleanup Revolving Loan Fund (BCRLF) surplus program income.

To: Anita Harrington

Cc: Didler, Matthew; Mankowski, Craig

Subject: RE: USEPA former RLF usage; Riverside Park assessment

Yes, previous program income remaining from former RLF in City account can be used for brownfield related projects that meet eligibility requirements such as Riverside Park.

Yes, it was discussed a few years ago that the City could continue using its former RLF closeout funds beyond the three year time frame for brownfield related projects.

Good luck on next steps,
Jon

From: Anita Harrington < harringtona@detroitmi.gov>

Sent: Friday, May 31, 2019 9:12 AM

To: Grosshans, Jon <grosshans.jon@epa.gov>

Subject: RE: USEPA former RLF usage; Riverside Park assessment

Good Morning Jon:

Just wanted to expand on my response. The funds are the program income remaining from the former RLF still in the city account. We originally had \$16,065.74 remaining. The 7500 W. McNichols Environmental Assessment project was allocated \$11,410.00 (PM Environmental). That leaves the \$4655.74 that we would like to use for Riverside Park to offset the additional costs for the ambient air pathway evaluation. Please let me know if use at Riverside is permitted.

One other thing, our Grants folks pointed out that the original Closeout Agreement indicated that the funds would be returned to USEPA if not used within 3 years of closeout. I know we have discussed this before but can you send us an email that says the USEPA will allow us to use the funds even though it is past that three-year timeframe? Grants needs it for their records and to get City Council approval to use the funds per city procurement proceedures.

Thank you,

Anita Harrington

Detroit City Council 1340 Coleman A. Young Municipal Center Detroit, MI 48226

RE: Property Sale

8442 W Jefferson, Detroit, MI 48209

Honorable City Council:

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Maurice Morton (the "Purchaser") to purchase certain City-owned real property at 8442 W Jefferson, Detroit, MI (the "Property"). The P&DD entered into a purchase agreement, dated April 8, 2019, with the purchaser. Under the terms of the proposed Purchase Agreement, the property will be conveyed to the purchaser for the purchase price of Fifty Thousand and 00/100 Dollars (\$50,000.00).

The Purchaser intends to restore and utilize the facility as an indoor storage facility. The Purchaser is a former Wayne County Prosecutor and recently broke ground on an industrial park and educational training facility that will provide its services free of charge to trainees. Through the training facility, purchaser also will perform expungements for eligible trainees. Currently, the property is within an M4 zoning district (Intensive Industrial District). The purchaser's proposed use of the property shall be consistent with the allowable uses for which the property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect a transfer of the property by the City to Maurice Morton.

Respectfully submitted,

Maurice D. Cox

Director

Stephanie Washington, Mayor's Office

RESOLUTION

BY C	OU	NCIL	MEMB	ER
------	----	------	-------------	----

NOW, THEREFORE, BE IT RESOLVED, that Detroit City Council hereby approves of the sale of certain real property at 8442 W Jefferson, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Maurice Morton (the "Purchaser") for the purchase price of Fifty Thousand and 00/100 Dollars (\$50,000.00); and be it further

RESOLVED, that the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and such other documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

RESOLVED, that the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Three Thousand and 00/100 Dollars (\$3,000.00) shall be paid to the DBA from the sale proceeds, 2) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

RESOLVED, that the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

RESOLVED, that the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Detroit City Council 1340 Coleman A. Young Municipal Center Detroit, MI 48226

RE: Property Sale

5839 Livernois, Detroit, MI 48210

Honorable City Council:

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Mullane Industries, Inc. ("Mullane"), a Michigan for-profit corporation, to purchase certain Cityowned real property at 5839 Livernois (the "Property"). The P&DD entered into a purchase agreement, dated May 28, 2019, with Mullane. Under the terms of the proposed Purchase Agreement, the property will be conveyed to Mullane for the purchase price Three Thousand Five Hundred Twenty and 00/100 Dollars (\$3,520.00).

Mullane is an engineering firm, with headquarters located at 5941 Livernois. They recently closed on an adjacent property at 5885 Livernois, which they purchased from the City of Detroit, and prior to that they owned 5901 Livernois. They wish to acquire 5839 Livernois to demolish the garage that currently exists on the parcel in order to construct a continuation of their green space and to put in more hydroponic equipment. The property is within a B4 zoning district (General Business District). Mullane's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Mullane Industries, Inc.

Respectfully submitted,

Maurice D. Cox

Director

RE: Property Sale

12118, 12226, and 12300 Woodrow Wilson, Detroit, MI 48206

Honorable City Council:

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Cass Community Social Services, Inc. ("Cass"), a Michigan Non-Profit Corporation, whose address is 11745 Rosa Parks Blvd., Detroit, MI 48206, to purchase certain City-owned real properties at 12118, 12226, and 12300 Woodrow Wilson, Detroit, MI (the "Properties"). The P&DD entered into a purchase agreement, dated June 19, 2019, with Cass. Under the terms of the proposed Purchase Agreement, the properties will be conveyed to Cass for the purchase price of Eight Thousand Seven Hundred Sixty and 0/100 Dollars (\$8,760.00).

Cass has assembled approximately 40 other adjacent properties, together with these properties they wish to obtain from the city, they hope to assemble a development made of tiny affordable homes. These tiny homes are being built to house low-income individuals as part of Cass's larger community mission. Currently, the properties are within a B4 zoning district (General Business District). Cass's use of the properties as single-family residential units is a conditional use which shall require the purchaser to obtain approval in order to utilize the properties as they intend. Cass shall apply for and obtain rezoning of the properties or a special or conditional use permit or variance regarding the properties prior to closing and the consummation of this sale.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect a transfer of the properties by the City to Cass Community Social Services, Inc.

Respectfully submitted,

Maurice Cox

Director

Stephanie Washington, Mayor's Office

RESOLUTION

	B	Y	CO	H	JN	CIL	ME	M	BER	Ł
--	---	---	----	---	----	-----	----	---	-----	---

NOW, THEREFORE, BE IT RESOLVED, that Detroit City Council hereby approves of the sale of certain real property at 12118, 12226, and 12300 Woodrow Wilson, Detroit, MI (the "Properties"), as more particularly described in the attached Exhibit A incorporated herein, to Cass Community Social Services, Inc. (the "Purchaser") for the purchase price of Eight Thousand Seven Hundred Sixty and 0/100 Dollars (\$8,760.00); and be it further

RESOLVED, that the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and such other documents necessary or convenient to effect transfer of the Properties to the Purchaser consistent with this resolution; and be it further

RESOLVED, that the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) Four Hundred Thirty Eight and 00/100 Dollars (\$438.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

RESOLVED, that the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the properties, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

RESOLVED, that the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Detroit City Council 1340 Coleman A. Young Municipal Center Detroit, MI 48226

RE: Property Sale

6631 Theodore, Detroit, MI 48211

Honorable City Council:

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from D2 Solar LLC ("D2"), a Michigan limited liability company, to purchase certain City-owned real property at 6631 Theodore (the "Property"). The P&DD entered into a purchase agreement, dated June 19, 2019, with D2. Under the terms of the proposed Purchase Agreement, the Property will be conveyed to D2 for the purchase price of Twelve Thousand Eight Hundred and 00/100 Dollars (\$12,800.00).

D2 plans to develop the property in to a community garden and demonstration site for a small community solar project. The Property is within an M3 zoning district (General Industrial District). D2's use of the Property as a green space for their urban farm is a conditional use which shall require them to obtain approval in order to utilize the Property as they intend. D2 shall apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of this sale.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to D2 Solar LLC.

Respectfully submitted,

Maurice D. Cox

Director

RESOLUTION

BY COUNCIL MEMBER:	

NOW, THEREFORE, BE IT RESOLVED, that Detroit City Council hereby approves of the sale of certain real property at 6631 Theodore, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to D2 Solar LLC (the "Purchaser"), for the purchase price of Twelve Thousand Eight Hundred and 00/100 Dollars (\$12,800.00); and be it further

RESOLVED, that the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

RESOLVED, that the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, Six Hundred Forty and 00/100 Dollars (\$640.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

RESOLVED, that the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

RESOLVED, that the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.
